

CDARC Rally – Sunday 3rd March 2013

CDARC put on another successful rally in the arena at the Wood Green Animal Shelter, Godmanchester, on Sunday March 3rd 2013.

Nearly 600 visitors descended on a sales area of 1600 square meters looking for bargains. They weren't disappointed – there were 40 stands eager to provide for their needs. The rally opened to visitors at 10:00am and ran until 2:00pm.

CDARC thanks all those who set up stalls, many of you travelling great distances to do so. Your support for our rally is much appreciated:

Thanks, also, to the St. John Ambulance personnel, who were in attendance throughout the event, and to the Wood Green staff for their generous co-operation.

Above all, we would like to express our appreciation of those who come to the rally as visitors and support the event financially through their purchases. Without that support there could be no rally. Long may it continue!
